

Ring Size Measurement Guide

Please read all instructions carefully, so as to get the accurate dimensions.

Note: Measurements reflect Ring Sizes in INDIA.

Find Your Perfect Ring Size

1. Make sure to print this PDF attachment, so as to get accurate measurement.
2. Prior to printing, make sure that Page scaling is set to "None" on your printing dialog box.
3. Make sure that the rulers on the left are 1 inch or 30 mm long.
4. For an accurate measurement, measure your finger at the end of the day when it is the largest.

Approach: Measure an Existing Ring

1. Select a ring that accurately fits the intended finger.
2. To find out your ring size, kindly place the ring over the circles shown below until the inner edge of the ring matches the outer edge of the circle.
3. Also, a point to remember is that if the ring falls between two particular sizes, then it is suggested by our in-house jewelry experts to order the larger size.
